

The Venus Factor Diet Plan

**DROP 3 DRESS
SIZES IN 7 DAYS?**

See this amazing little tip women are using to lose weight fast. [See Tip >>](#)

Instant Access: twi.la/venusfactor

What Can You Expect?

The groundbreaking Venus Factor Virtual Nutritionist that shows you exactly what to eat and when for the **next 12 weeks** to disintegrate fat from your problem areas.

Your Virtual Nutritionist is designed to help make every 10 pounds you lose look like 20 by burning fat from where you visually need to most.

The Venus Factor was developed to take female fat loss to another level

Hundreds of women report inches vanishing from their problem areas within weeks and they have the startling pictures you're seeing to prove it!

WARNING

If you're looking for that **magic weight loss** answer, or if you just want this week's celebrity fad diet... or **some gimmick** deep down you already know will never work, The Venus Factor is not for you.
